INTRODUCTION

THE CONFESSION AND ACTION OF HEALING BY FAITH

Welcome to the Confession & Action of Healing by Faith: Daily Bible Study! In this 3-day study, we will explore the truth of God's Word regarding walking in the divine healing. God has so much in mind for us... He has even given us faith to help us walk in all that He has planned for us. In this study, Allan Bagg will help you understand what the Spirit of faith is, and how to put faith into action to walk in the abundant life that Jesus paid for. We have included declarations and reflection times. Speak the declarations out loud over your life, as this will activate your faith.

LET'S DIVE IN!

HOW TO DO THIS STUDY:

This study goes hand in hand with video lessons taught by Allan Bagg himself. Please click on the Youtube link provided in the study portal and view the lesson before completing the daily study application material.

DAY 1

Today, we begin laying the foundation for God's will to see his children walking in divine healing. We also discover how to access and see divine healing show up in our lives.

Is there anywhere in scripture under the new covenant where we need to ask God for healing?

- ***Please elaborate on your answer below.***

Reflection: *Know that it is God's heart for you to walk in divine health. However, we must know how to accurately access His promises:*

If it is God's will to heal us. Write down at least scriptures that you have discovered in today's teaching that reveal this truth:

**Read Matthew 10:1-8 & Luke 9:1-2 (NKJV) and answer the following:
If there is no mandate in scripture under the new covenant to ask
for healing. How do we get divine healing to manifest in our lives.**

Read 2 Corinthians 4:13 & Mark 11:22-23 (NKJV) and answer the following based on what you discovered in today's teaching:

What is the prayer of faith?

ADDITIONAL SCRIPTURES TO MEDITATE ON:

- **Luke 10:2 & 8,9**
- **James 5:14-15**
- **Romans 10:17**
- **Joel 3:10**
- **Romans 4:17**
- **Ephesians 5:1**

DAY 2

Today, we discover the power of speaking the Word of God to our bodies and the life of God released when we do so. Just as God spoke creation into existence (Genesis 1:3), our words carry the power to shape our health, circumstances, and destiny. Proverbs 18:21 reminds us that 'death and life are in the power of the tongue...' and when we align our declarations with Scripture, we activate heaven's promises on earth.

Read Matthew 8:5-7 (NKJV)

- a. Based on the scripture above, what did the centurion ask Jesus to do for his servant to be healed?
- b. Based on what you discovered in today's teaching. How did the centurion know his servant would be healed?

Read John 6:63 & Proverbs 4:20-22 (NKJV)

Decaration: *The Word of God is Spirit & it is Life!*

Write down what revelation you received from the above scriptures and the teaching you have received in today's lesson.

Read Isaiah 53:4-5 & 1Peter 2:24 (NKJV)

Complete the following statement: I am the healed

Write down what revelation you received from the above scriptures and the teaching you have received in today's lesson.

Read Act 3:1-8: What did Peter have that he gave to the beggar?

Read Mark 16:15-18 and declare the following:

I am a believer, not a doubter! The promises of Mark 16:15-18 are mine today. I walk in divine authority, miracles, and supernatural power. The world will see Jesus through my life, and His Kingdom advances through me! Amen!

DAY 3

One of the key revelations that we discovered today is understanding from which position we confess and speak the Word of God from.

What is the key difference you have discovered through today's teaching between the Old Testament & New Testament as it pertains to confessing God's Word over your life with regard to divine healing? Please write it down below:

Read Proverbs 4:20-23.

What happens when we speak the Word of God?

Complete the following statement: Everytime I speak the Word of God, I am ingesting _____

PUT INTO ACTION

LETS SPEAK LIFE!

Confess the following out LOUD by faith believing that you are releasing the Life of God's Word into your spirit.

I am healed by the stripes of Jesus, just as Isaiah prophesied!

"By His stripes we are healed" (Isaiah 53:5).

God's Word is life and health to my body!

"My son, attend to My words... for they are life to those who find them, and health to all their flesh" (Proverbs 4:20-22).

I will not fear sickness - God is my healer!

"I am the Lord who heals you" (Exodus 15:26).

My days are long and strong, just as God promised!

"With long life I will satisfy him and show him My salvation" (Psalm 91:16).

I speak to my bones: Live and be restored!

"Prophecy to these bones and say... 'I will cause breath to enter you, and you shall live'" (Ezekiel 37:4).

I lay hands on the sick, and they recover - Jesus' power flows through me!

"They will recover" (Mark 16:18).

No disease can dwell in my body - Christ has redeemed me from every curse!

"Christ has redeemed us from the curse of the law" (Galatians 3:13).

I command my body to align with God's Word!

"The Word of God is living and powerful" (Hebrews 4:12).

I resist every symptom of sickness in Jesus' name!

"Resist the devil, and he will flee" (James 4:7).

I am anointed to heal, just like Jesus!

"How God anointed Jesus... who went about healing all who were oppressed" (Acts 10:38).

CONCLUSION

During this study we've unlocked the supernatural power of confessing God's Word over our bodies and lives! Just as God's voice created the universe, our faith-filled words release His life, healing, and victory. The Old Testament revealed His nature as our Healer (Exodus 15:26), and the New Testament confirmed it through Christ's finished work (1 Peter 2:24). We are not helpless - we are armed with Scripture, anointed by the Holy Spirit, and commissioned to decree heaven's reality into our health, families, and circumstances.

Let's leave this study with unshakable confidence:

1. Our words are seeds - what we plant in faith, we will harvest (Mark 11:23).
2. God's Word is medicine - it repairs, renews, and revives (Proverbs 4:22).
3. Jesus' authority is ours - disease, fear, and the enemy must bow to His Name (Luke 10:19)!

Final Declaration:

From this day forward, I SPEAK LIFE. I declare healing, strength, and divine protection over my body. I am a living testimony of God's power, and miracles follow me everywhere I go! In Jesus' name, Amen!

Take Action:

- Write down 1 healing Scripture to confess daily.
- Pray over one person this week and release God's healing through your hands (Mark 16:18).
- Share your testimony when your breakthrough comes - your story will ignite faith in others!
- The Word of God works, NOW let's walk it out!

PRAYER AND DECLARATION:

“Father, from this day forward I choose to honor You first. All that I have comes from Your hand, and in thanksgiving I return the tithe to You. I will always seek first Your Kingdom and Your righteousness. Whatever You bless me with, I will faithfully bring the tithe into the house of God. I thank You that I live under the open windows of Heaven, and I trust that You see what I need for my future. As I step into that future, I ask You to show me what seed to sow today that will prepare me for the harvest You have planned. I give by faith, with a willing and cheerful heart, and I declare that my life and my resources belong to You. In Jesus’ Name, Amen.” (Now listen with your heart to follow God’s instruction, and always give by faith.)
